

TTPA Multimedia Newsletter

September–October 2026

TANUVVAS Teachers Pensioners' Association

Preserving Memories • Sharing Knowledge • Celebrating Lives

SECTION 01 • WELCOME NOTE

Foreword

From the President, TTPA

Dr. N. Natarajan

President, TTPA

Dear Members and Friends,

It gives me immense pleasure to present the September–October 2026 issue of the **TTPA Multimedia Newsletter**, which marks another important step in the continuing evolution of our Association's communication with its members.

What began as a simple newsletter in 2023 has steadily grown into a **web-based multimedia platform**. I place on record my appreciation of our Newsletter Editor and Website Administrator, **Dr. V. Balakrishnan**, for undertaking the uphill task of conceiving, developing and transforming the newsletter into its present form. This pioneering initiative brings together information, memories, archival material and interactive features in a format that is readily accessible to our pensioners.

Search, Review and Participate

A particularly useful feature of the new platform is the provision for **searching within individual sections**, enabling readers to locate information more conveniently. Equally important is the **review and feedback facility** associated with the sections.

I earnestly request our pensioners to register their views and suggestions. Your responses will help us assess how effectively the newsletter is serving our members and guide us in exploring further improvements.

An Engaging Brain Teaser

Another interesting innovation is the **Brain Teaser**, which uses images familiar to our veterinary fraternity and challenges readers to identify subtle differences. Besides providing a pleasant diversion, this interactive feature encourages observation, alertness and mental engagement.

Blessings to Our Octogenarians

This issue also gives me the privilege of conveying my affectionate greetings and blessings to our respected senior members who crossed the **octogenarian milestone during September–October 2026**:

Dr. D. Narahari,
Dr. J. Ramkrishna,
Dr. S. Arunachalam,
Dr. S. Nagarajan,
Dr. S. Kannan Chandrasekaran,
Dr. A. Basheer Ahmed,
Dr. T. Kadambavana Sundaram,
Dr. S. Balachandran and
Dr. Prabhakar Gnanamuthu Edwin.

Their long association with our profession and fraternity is a source of happiness and inspiration to all of us. On behalf of TTPA, I wish them **good health, happiness, peace and many more fulfilling years ahead**.

Moving Forward Together

May this multimedia initiative continue to bring our pensioners closer, preserve our cherished professional memories and provide a meaningful platform for information, interaction and fellowship.

I invite every member to explore the newsletter, participate in its interactive features and contribute towards its continued enrichment.

Greetings and best wishes to all our members and their families.

Dr. N. Natarajan

President, TTPA

SECTION 01 • WELCOME NOTE

General Secretary's Message

A Living Digital Archive of Our Shared Heritage

Dr. K. S. Palaniswami

General Secretary, TTPA

Dear Members,

The launch of our web-based **TTPA Multimedia Newsletter** marks an important milestone in the evolution of our Association's communication.

Unlike a conventional newsletter that primarily records current events, the web edition provides a permanent, easily accessible and continuously expandable platform where information, memories, photographs and the history of our veterinary fraternity can be preserved for generations.

Preserving Our Shared Heritage

A particularly significant feature is our **Archives**. It presently brings together about **135 photographs**, many representing teachers, colleagues and personalities associated with our institutions over several decades.

More than **100 of these photographs** have been painstakingly reconstructed and enhanced with the assistance of Artificial Intelligence from records dating back nearly five decades. Browsing through these familiar faces will, I am sure, evoke cherished memories of our student days, teachers, colleagues and professional life.

Members Can Help Enrich the Archives

Members are warmly invited to contribute to this collective endeavour. If you possess photographs of our teachers or colleagues, irrespective of their present condition, please share them with TTPA.

Even faded, damaged or low-resolution photographs may be useful. Our Editor will endeavour to reconstruct and enhance suitable images and add them to the Archives.

Protecting Personal Information

As our newsletter is now available through a public web platform, due importance must also be given to safeguarding members' personal information.

With this consideration, the **Birthday column will henceforth be discontinued** from the web-based newsletter. Members need not, however, miss Association updates and personal greetings.

We earnestly appeal to all TANUVAS teacher pensioners who have not yet joined the **TANUVAS Teacher Pensioners Forum WhatsApp Group** to become members of the group.

It provides a convenient forum for receiving timely TTPA updates, announcements and information of interest to our pensioner community while avoiding unnecessary publication of personal information on a public website.

Memories of Madras Veterinary College

Another fascinating component of the Archives is the collection of old photographs of buildings of Madras Veterinary College.

For generations of alumni and former faculty, these images are more than architectural records. Familiar classrooms, departments and campus landmarks can rekindle memories and take us back to an important period of our academic and professional lives.

A Living Digital Memorial

Thus, our web-based newsletter is gradually becoming much more than a medium for reporting Association activities.

It is evolving into a **living digital memorial** — preserving our people, places, achievements and institutional heritage while reconnecting generations of the TANUVAS veterinary fraternity.

Appreciation to the Editor

I place on record my sincere appreciation and congratulations to our **Newsletter Editor & Website Administrator, Dr. V. Balakrishnan**, for conceiving and single-handedly building this remarkable digital memorial.

His painstaking effort in collecting, reconstructing, organising and presenting these valuable archival materials deserves our wholehearted appreciation.

An Invitation to Every Member

I invite every member to visit the website, explore the Archives, relive treasured memories and, above all, contribute photographs and information so that this shared repository becomes richer and more complete with time.

Dr. K. S. Palaniswami

General Secretary, TTPA

SECTION 02

Reminiscence of Dedicated Stalwarts

Remembering those who served with distinction, inspired generations and enriched our profession.

Profile at a Glance

Qualification

B.V.Sc., M.V.Sc., Ph.D.

Position

Former Special Officer,
Veterinary College and Research Institute, Namakkal

Former Professor and Head,
Department of Meat Hygiene and Technology,
Madras Veterinary College

Area of Contribution

Meat and Milk Hygiene, Meat Science and Technology

Dr. R. Ramamurthi

B.V.Sc., M.V.Sc., Ph.D.

Former Special Officer

Veterinary College and Research Institute, Namakkal

&

Former Professor and Head

Department of Meat Hygiene and Technology
Madras Veterinary College, Chennai

Academic Journey and Leadership

Dr. R. Ramamurthi, M.V.Sc., Ph.D., was born on 1 October 1933 to Mrs. R. Devakiammal and Mr. R. N. Ethirajulu. He completed his B.V.Sc. at Madras Veterinary College and subsequently pursued his M.V.Sc., with Meat and Milk Hygiene as his main subject, completing the degree in 1964. He later obtained his Ph.D. in Poultry Science in 1985.

He headed the Department of Meat Science and Technology from 3 August 1978 to 15 April 1986. He was subsequently appointed as Dean of the Veterinary College and Research Institute, Namakkal and retired on 1 March 1989.

Contributions to Teaching and Research

Dr. Ramamurthi made significant contributions to postgraduate education and research. He guided as many as **11 M.V.Sc. and two Ph.D. scholars**, contributing to the development of specialists in his field.

He was a long-standing member of the **FAD 18, Slaughterhouse and Meat Industry Sectional Committee**, initially serving as an alternate member and subsequently as a primary member. He also served on one of the boards of the Central Food Technological Research Institute.

His academic expertise was recognised by several universities and institutions. He served as a question paper setter, including for the Indian Council of Agricultural Research, and evaluated Master's and Doctoral theses from various universities.

A Legacy Remembered

Dr. Ramamurthi passed away on **29 August 1989**. His contributions to veterinary education continue to be remembered. Academic Block III of the Veterinary College and Research Institute, Namakkal, was named the **Dr. R. Ramamurthi Block** in his honour.

His son, Mr. R. Prabhakar, instituted the **Dr. R. Ramamurthi Endowment** for the Best Outgoing Ph.D. scholar in Livestock Products Technology (Meat Science), thereby perpetuating his father's memory and commitment to academic excellence.

With Condolences

His wife, **Smt. R. Bhargavi**, passed away on 8 August 2026 after a brief illness. TTPA respectfully offers its heartfelt condolences to the bereaved family.

Author: Dr. V. Appa Rao

Activities of TTPA at a Glance

Recent activities, initiatives and member welfare measures.

TTPA continued its efforts to assist pensioners and family pensioners in matters relating to pensionary benefits, health insurance, life certificates and other welfare measures.

Digital Life Certificates

Digital Life Certificates were generated for **39 pensioners** during the two-month period.

Facilitation of Family Pension and LTA

TTPA followed up cases relating to family pension and LTA. Family pension for the spouses of **Dr. S. A. Joseph** and **Dr. Baegan** was sanctioned at the earliest possible time.

Settlement of Pensionary Benefits

Pensionary benefits of all recent retirees have been settled except in the cases of **Dr. Karunakaran** and **Dr. Parthiban**. These two pending pension cases are under active follow-up and are expected to be settled shortly. PPO numbers have also been allotted to all recent retirees except these two members.

Follow-up with the University

The Secretary, accompanied by **Dr. S. Gomathinayagam**, visited the University twice and met the Finance Officer and the Registrar regarding the **New Health Insurance Scheme (NHIS)**, issue of NHIS cards, sanction of additional pension and family pension.

Sanction of Additional Pension

Two members received additional pension during this period on completion of **80 years of age**.

Pensioners' Family Security Fund

Pensioners' Family Security Fund benefits in respect of all deceased members concerned were settled.

Follow-up of Members' Grievances

A **Special Executive Committee Meeting** was convened on **12 August 2026** to consider and follow up the grievances of members. The minutes of the meeting are presented separately in this issue.

Form 16 – Income Tax

For the first time, **Form 16** was obtained for all concerned members, including those from whom no tax had been deducted at source (TDS), and copies were sent digitally to their email addresses.

Special Invitees

1. Dr. P. S. Rahumathulla
2. Dr. C. Balachandran
3. Dr. N. Daniel Joy Chandran
4. Dr. M. Thirunavukkarasu
5. Dr. R. Ravindran

Proceedings

The meeting commenced with a welcome address by **Dr. N. Natarajan, President**, followed by an address by **Dr. K. S. Palaniswami, General Secretary**, who explained the purpose of convening the Special Executive Committee Meeting. He thanked the special invitees for sparing their time to participate in the deliberations.

Implementation of Government Orders and Members' Grievances

Dr. G. Dhinakar Raj pointed out that there appeared to be inconsistencies in the implementation of different Government Orders by the University.

To resolve the issue, he suggested that:

1. the benefits may be extended to eligible members who had already submitted representations; and
2. the benefits may also be extended to eligible members who had neither received the benefits nor submitted representations.

Constitution of Grievance Committee

It was decided to constitute a **Grievance Committee** to prepare a report for submission to the University regarding retrospective placement and consequent fixation of pay of eligible members with reference to **G.O. No. 149, G.O. No. 101, and G.O. No. 274** .

Chairman: Dr. P. S. Rahumathulla

Members: Dr. C. Balachandran, Dr. N. Daniel Joy Chandran and Dr. M. Thirunavukkarasu

Dr. M. Thirunavukkarasu, Special Invitee, suggested that all representations received from members should be consolidated and presented in a clear tabular format to facilitate better understanding and consideration by the University.

He stated that the table would be prepared before the ensuing Friday and circulated among the members of the specially constituted Committee.

Dr. P. S. Rahumathulla, Special Invitee, gave a detailed account of the Government Orders issued during different Pay Commissions.

He concurred with the suggestion of Dr. M. Thirunavukkarasu that the particulars furnished by members should be compiled in tabular form. The Committee could then scrutinise the details, ascertain the admissibility of the claims and prepare them for representation to the University by TTPA.

Dr. C. Balachandran assured the meeting that the Committee would work towards securing favourable action.

Audit Objections Relating to Income Tax

The meeting discussed the cases of **46 members of the Association** who were facing audit objections regarding non-payment of income tax on the final surrender of earned leave at the time of superannuation.

It was noted that, despite repeated representations to the University and the Government, as well as discussions in a joint sitting with the Local Fund Audit authorities seeking withdrawal of these audit objections, no concrete positive response had been received.

The meeting therefore decided that the Association may pursue the matter through an appropriate **legal forum**, on lines similar to the course adopted by retired pensioners of TNAU, before any recovery action is initiated.

Dr. P. Sriram, Secretary , informed the meeting that details would be collected from the TNAU Pensioners' Association and that members would subsequently be informed about the mode of contribution/payment towards the proposed legal course of action.

It was decided to proceed legally in respect of the long-pending **audit para relating to income tax on final surrender of earned leave** . The legal expenditure and pursuit of the case would be borne by the individual petitioners.

The proposed respondents would be the **Registrar, TANUVAS** and the **Director, Local Fund Audit (LFA)** . TTPA would provide a platform for discussion, coordination and support.

Conclusion

The meeting concluded with a vote of thanks proposed by **Dr. P. Sriram, Secretary**. A lunch was hosted by Dr. P. Sriram for the members and special invitees following the meeting.

05

Welcome to Our Pensioners' Family

Celebrating distinguished careers and welcoming our newly retired colleagues to the TTPA family.

Dr. M. Parthiban

Retired Professor and Head,
Department of Animal Biotechnology,
Madras Veterinary College, TANUVAS

TTPA warmly welcomes and congratulates **Dr. M. Parthiban** on his superannuation after an illustrious academic career spanning more than **32 years**.

Dr. Parthiban has made significant contributions to **teaching, molecular virology, diagnostics and animal biotechnology**. His distinguished research record includes **130 research publications**, guidance of **Ph.D., M.V.Sc. and M.Phil. scholars**, leadership of externally funded projects, **two patents**, and the development of a **diagnostic kit for avian oncogenic viruses**.

His service as **Course Director, committee member and Dean (in charge)** further reflects his academic and administrative leadership.

TTPA extends its heartfelt greetings and warmest wishes to Dr. Parthiban for a **happy, healthy and fulfilling retired life**. May this new chapter bring him abundant joy, peace and cherished moments with family and friends.

Dr. S. T. Selvan

Retired Professor and Head,
Department of Poultry Science,
Madras Veterinary College, Chennai

TTPA warmly welcomes and congratulates **Dr. S. T. Selvan** on his superannuation on **31 July 2026**, following an impressive **33 years and 8 months of dedicated service** .

Born on **7 July 1966**, Dr. Selvan commenced his University service on **8 February 1993 at FTC, Hosur** . During his distinguished career, he served in various research farms for more than **25 years**, besides contributing five years to college teaching and academic activities.

He also served as **Dean, College of Poultry Production and Management, Hosur, from 2021 to 2024** , providing valuable academic and administrative leadership for three years.

TTPA extends its warmest greetings and heartfelt wishes to Dr. Selvan for a **happy, healthy and fulfilling retired life** , filled with peace, joy and cherished moments.

06

Pensioners in the Spotlight

Celebrating honours, achievements, professional contributions and continuing service by members of our pensioners' community.

A Landmark Honour for Indian Veterinary Science

Dr. S. Balasubramanian Elected Honorary Member of ACT

TTPA extends its warmest congratulations to **Dr. S. Balasubramanian** on his election as an **Honorary Member of the American College of Theriogenologists (ACT)**, a prestigious international recognition for exceptional contributions to theriogenology—the field of veterinary reproduction.

ACT reserves this honour for individuals of unusual eminence who have made significant contributions to knowledge in veterinary reproduction. According to the announcement, Dr. Balasubramanian is the **first veterinarian from India, and indeed from Asia, to receive this distinction**, making it a landmark achievement for Indian veterinary science. In the 55-year history of ACT, only **28 individuals** have reportedly received this rare honour.

The recognition reflects Dr. Balasubramanian's distinguished contributions to **education, research, clinical practice and professional leadership**.

TTPA proudly congratulates Dr. S. Balasubramanian on this outstanding international honour and wishes him continued success and greater laurels in the years ahead.

Inspiring the Next Generation of Veterinarians

Padma Shri Dr. N. Punniamurthy Delivers an Inspiring Graduation Day Address

Padma Shri Dr. N. Punniamurthy delivered an inspiring and thought-provoking address at the Graduation Day function held at the **Rajiv Gandhi Institute of Veterinary Education and Research on 23 August 2026** .

His address highlighted the responsibilities of graduating veterinarians in **serving society, safeguarding animal health, ensuring food security and contributing to sustainable agriculture** . He emphasised continuous learning, professional ethics, compassion towards animals and the importance of maintaining strong connections with farmers and the community.

Padma Shri Dr. N. Punnamurthy addressing the Graduation Day gathering.

His message encouraged the young graduates to view veterinary medicine not merely as a profession, but as a **noble service carrying immense social responsibility** .

TTPA warmly congratulates Dr. Punnamurthy for his meaningful address, which undoubtedly encouraged the graduates to pursue their careers with commitment, integrity, empathy and dedication to the welfare of animals and humanity.

Padma Shri Dr. N. Punniamurthy Felicited at His Alma Mater

Padma Shri Dr. N. Punniamurthy was felicitated at **Madras Veterinary College, TANUVAS** , in honour of receiving the Padma Shri for his pioneering contributions to **ethno-veterinary medicine** .

The programme served as both an alumni felicitation and an academic tribute recognising the conferment of this prestigious national honour. Several alumni, including former Vice-Chancellor **Dr. P. Thangaraju** , paid tribute to him. On behalf of the **1975 B.V.Sc. batch**, he was honoured in a traditional manner.

Felicitations of Padma Shri Dr. N. Punniamurthy at Madras Veterinary College.

The occasion celebrated his four-decade-long career in developing standardised herbal remedies for common cattle ailments, with emphasis on reducing antibiotic use and the cost of dairy production.

Addressing faculty, researchers and students, Dr. Punniamurthy spoke about integrating **traditional herbal knowledge with rigorous clinical validation** . The University community lauded his commitment to empowering rural farmers through sustainable livestock healthcare and for bringing national recognition to his alma mater.

A Lifelong Champion of Sports and Sportsmanship

Dr. A. M. Venkatesan , former Deputy Director of Physical Education, continued his remarkable association with University sports through a series of engagements during June–August 2026.

He delivered felicitation addresses at the Annual Sports Days of **VCRI, Namakkal (23 June)** and **VCRI, Orathanadu (3 July)** . He served as **Guest of Honour at Madras Veterinary College, Chennai (30 June)** and **VCRI, Salem (13 July)** , where he also addressed the gathering. He was a **Special Invitee at VCRI, Tirunelveli (9 July)** .

Dr. A. M. Venkatesan at VCRI, Tirunelveli.

Dr. A. M. Venkatesan at VCRI, Salem.

Continuing his active involvement, Dr. Venkatesan was invited as a **Patron of the Veterinary Premier League at Coimbatore on 27 August 2026**, involving cricket competition among 16 teams.

Beyond his active participation, Dr. Venkatesan has generously sponsored several medals to encourage sporting excellence among students. His sustained involvement reflects his enduring passion for physical education and the nurturing of young talent.

TTPA heartily congratulates Dr. A. M. Venkatesan for his exemplary contribution to promoting sportsmanship across TANUVAS institutions.

TANUVAS Honours Inventors for Patented Innovations

As part of its **80th Independence Day celebrations**, TANUVAS honoured its inventors for their valuable contributions to innovation and technology development.

Dr. K. Kumanan, Dr. G. Dhinakar Raj and Dr. K. Vijayarani received Certificates of Appreciation for their patent, ***“Multiplex primers for detection and determination of Mycobacterium orygis”*** (Patent No. **592827**), granted by the Government of India on **19 June 2026**.

Recognition of TANUVAS inventors for the patented diagnostic innovation.

Recognition of TANUVAS inventors for the patented animal ambulance technology.

Dr. S. Thilagar, Dr. R. Jayaprakash, Dr. S. Balasubramanian and Dr. Cecilia Joseph were similarly recognised for developing the patented technology, ***“An Animal Ambulance Unit and a Method of Shifting Sick Recumbent Animal for Transportation”***, granted on **10 April 2024**.

TTPA heartily congratulates both teams for translating scientific expertise into valuable innovations benefiting veterinary diagnostics and animal healthcare.

07

Called to Lead Once More

Distinguished members continuing to inspire, guide and contribute to the veterinary profession through leadership and professional engagement.

Dr. S. Prathaban Felicitated for Distinguished Contributions

TTPA warmly congratulates **Dr. S. Prathaban** , Professor, Dean and Director of Clinics, TANUVAS, on being felicitated at the **3rd Annual Symposium of the Indian Society for Veterinary Cardiology** , held at Veterinary College, Bengaluru, in August 2026.

Recognised for his distinguished contributions to veterinary medicine, particularly **veterinary cardiology and advanced diagnostic modalities** , Dr. Prathaban has earned wide acclaim as a clinician, teacher and academic leader.

Prof. (Dr.) S. Prathaban

Citation

*The Organizing Committee of the 3rd Annual Symposium of the Indian Society for Veterinary Cardiology takes immense pleasure in felicitating **Dr. S. Prathaban**, an eminent veterinarian, distinguished clinician, accomplished teacher and a highly respected academician.*

With 37 years of dedicated service at Madras Veterinary College, TANUVAS, Dr. Prathaban has risen through the ranks, serving with distinction as Professor, Dean and Director of Clinics. His vast knowledge, clinical acumen and commitment to teaching have earned him the admiration and respect of generations of students and colleagues.

Dr. Prathaban was among the pioneers in introducing advanced diagnostic modalities in veterinary cardiology, particularly echocardiography, at a time when advanced canine cardiology was still in its infancy. His contributions to the diagnosis and management of cardiac ailments in dogs have been significant. His areas of expertise include veterinary clinical medicine, cardiology and small animal ultrasonography, and he received specialised training in small animal clinical ultrasonography at the University of Sydney.

His academic excellence and international standing have been recognised through visiting faculty appointments at the University of Queensland, Brisbane, and Michigan State University, USA, as well as through his associations as examiner and resource person in the field. He is a Fellow of the Australian and New Zealand College of Veterinary Scientists and a Diplomate of the American College of Veterinary Internal Medicine.

A prolific academic, Dr. Prathaban has contributed five international and 126 national research publications, and has delivered numerous invited and guest lectures in India and abroad, including in Malaysia and Nepal. He has served with distinction as President of the Indian Society for Veterinary Medicine (ISVM) and the Indian Society for Advancement of Canine Practice (ISCAP).

The recipient of over 26 awards and honors, including the D. P. Sharma Gold Medal for outstanding contribution to Canine Medicine and an Award of Honour for outstanding contribution to Veterinary Medicine, Dr. Prathaban's career stands as a testimony to excellence in clinical practice, teaching, research and professional leadership.

A true gentleman known for his dignity, humility and exceptional teaching ability, Dr. Prathaban has made enduring contributions to veterinary medicine and, in particular, to the advancement of small animal diagnostics and veterinary cardiology.

In recognition of his outstanding contributions to Veterinary Medicine, clinical education and the advancement of Veterinary Cardiology, the Organizing Committee of the 3rd Annual Symposium of the Indian Society for Veterinary Cardiology is honoured to felicitate Dr. S. Prathaban and express its deep appreciation for his distinguished service to the profession.

Organizing Committee

3rd Annual Symposium of the Indian Society for Veterinary Cardiology,
Veterinary College, Bengaluru, KVAFSU
August 2026

Chairman

Organizing Secretary

Dr. S. Prathaban receiving recognition at the 3rd Annual Symposium of the Indian Society for Veterinary Cardiology, Bengaluru.

He was also invited to deliver the **theme paper at the symposium**, reflecting his expertise and professional standing. His sustained contributions to clinical practice, teaching, research and professional advancement have enriched veterinary education and animal healthcare.

TTPA takes pride in Dr. Prathaban's achievement and wishes him continued success in advancing **veterinary clinical sciences** .

Dr. R. Jayaprakash Urges Delhi-Based TANUVAS Alumni to Build a Stronger Network

TTPA extends its warmest congratulations to **Dr. R. Jayaprakash** on his distinguished participation in the **TANUVAS Alumni Meet – Delhi (NCR) 2026**.

His participation as a speaker reflected his continuing commitment to strengthening alumni bonds and fostering meaningful professional interaction among TANUVAS alumni.

Dr. R. Jayaprakash participating in the TANUVAS Alumni Meet – Delhi (NCR) 2026.

By sharing his knowledge and experience, Dr. Jayaprakash encouraged fellow alumni to build a stronger network and contributed meaningfully to the spirit of **lifelong learning, professional collaboration and alumni fellowship**.

His continued involvement with the alumni community demonstrates the valuable role experienced professionals can play in bringing generations of TANUVAS graduates together and strengthening their connection with the University.

TTPA warmly appreciates Dr. Jayaprakash's contribution and wishes him continued success in his efforts to strengthen and inspire the TANUVAS alumni community.

SECTION 08

Distinguished Voices in Webinars

Promoting professional learning, international collaboration and contemporary veterinary knowledge.

Dr. S. Balasubramanian Promotes Global Veterinary Knowledge Exchange

Dr. S. Balasubramanian is warmly congratulated for organising the **Global Veterinary Clinical Sciences Webinar 2026** on **18 July 2026**, featuring Prof. Dr. Lionel James Dawson of Oklahoma State University, USA.

The webinar focused on “**Review of Assisted Reproductive Technologies Available in Small Ruminants**”, a highly relevant subject for contemporary veterinary practice. Assisted reproductive technologies can accelerate genetic improvement, enhance reproductive efficiency, facilitate the dissemination of superior germplasm and support sustainable sheep and goat production.

Such programmes provide veterinarians with valuable exposure to global expertise and emerging clinical technologies while strengthening continuing veterinary education.

Excellent Participation: The webinar attracted **726 registrations**, with **638 participants attending online**, representing approximately **88% attendance**.

TTPA heartily congratulates **Dr. S. Balasubramanian** for organising this academically valuable international webinar and wishes him continued success in promoting professional knowledge exchange.

Advancing One Health and Companion Animal Care Through Global Webinars

Captain (Dr.) G. Dhanan Jaya Rao is warmly congratulated for his leadership as **Secretary General, Veterinary Association of India**, in organising two timely international webinars.

World Zoonoses Day Webinar — 6 July 2026

The World Zoonoses Day programme highlighted veterinarians' frontline role in zoonoses control and preparedness against emerging and re-emerging diseases, reinforcing the vital **One Health approach** to safeguarding animal and public health.

International Dog Day Webinar — 26 August 2026

The International Dog Day webinar addressed **canine heartworm removal** and advances in **cardiopulmonary resuscitation**, promoting contemporary companion-animal clinical care.

By bringing international experts together, these initiatives strengthen professional knowledge and its practical application to animal and public health.

TTPA heartily congratulates **Captain (Dr.) G. Dhanan Jaya Rao** on these valuable initiatives and wishes him continued success in advancing veterinary knowledge and professional development.

SECTION 09

Athletes Are Made, Not Born

Celebrating fitness, perseverance and the joy of staying active.

Together on the Track, Inspiring at Every Step

Dr. Asha Rajini

Dr. R. Sridhar

TTPA warmly congratulates **Dr. Asha Rajini** and **Dr. R. Sridhar** on successfully completing the **10K event at the Hexaware Dream Runners Half Marathon 2026**.

Joining a large gathering of enthusiastic runners, the duo demonstrated admirable fitness, determination and enthusiasm, reminding us that an active lifestyle can remain a rewarding pursuit through the years.

Dr. Asha Rajini and Dr. R. Sridhar at the Hexaware Dream Runners Half Marathon 2026.

Their achievement is particularly inspiring to our pensioner community, encouraging everyone to incorporate physical activity appropriate to their individual capabilities.

Dr. Asha Rajini continues to set an impressive pace, while **Dr. R. Sridhar** deserves equal appreciation for taking up the challenge and successfully completing the 10K.

TTPA congratulates both athletes and cheerfully encourages Dr. Sridhar to keep training—perhaps it is now time to catch up with Dr. Asha!

SECTION 10

Together Again: Memories & Milestones

Celebrating enduring friendships, shared memories and milestones across generations of MVC alumni.

MVC Class of 1976 Reunion

Dr. L. Gunaseelan

Dr. K. Kumanan

The **MVC Class of 1976**, comprising those who entered the portals of Madras Veterinary College fifty years ago, came together to commemorate the **50th anniversary of their entry into this great institution**.

Dr. L. Gunaseelan and Dr. K. Kumanan, along with their spouses and batchmates, assembled at **Coral Beach Resort near Mahabalipuram on 20 July 2026**. Almost all the participating batchmates were accompanied by their respective spouses, adding warmth and fellowship to the memorable occasion.

Following two enjoyable days of fellowship, recreational activities and visits to places of interest around Mahabalipuram, the group visited **Madras Veterinary College on 22 July 2026**. The visit included nostalgic photo sessions and an opportunity to meet some of their former teachers. The teachers were introduced and honoured at a gathering held in the college conference hall.

The reunion was meticulously planned and executed by **Drs. Kumanan, Rukmangathan, Ashok Kumar, Rajeshwaran and Diwakar**, with close coordination from **Dr. Diwakar Ambrose** of Canada and **Drs. Natarajan and Radhakrishnan** from the United States.

The Golden Jubilee reunion became a nostalgic journey shared not only by the batchmates but also by their spouses. More than **60 batchmates and spouses** participated in the celebrations, which concluded with a lunch hosted by **Dr. B. Nagarajan**.

Members of the MVC Class of 1976 during their Golden Jubilee visit to Madras Veterinary College.

Batchmates and their families during the 50th-year reunion celebrations near Mahabalipuram.

MVC Class of 1972 Reunion

Dr. N. Ramamurthy

Dr. Ramamurthy and his **MVC 1972 batchmates** held their General Body Meeting at **Hotel Tamil Nadu, Mamallapuram**, from **4–5 August 2026**.

Members and their families arrived on 4 August and used the informal gathering as an opportunity to reconnect, enjoy the picturesque coastal surroundings and strengthen the bonds of friendship built over the years.

The formal proceedings of their association commenced at **10:00 AM on 5 August** with a welcome by the Treasurer, followed by a tribute to departed members.

The Secretary reviewed the association's activities and achievements during the year, with particular reference to the successful completion of **ten years of their specially tailored Group Health Insurance policy**. The minutes of the previous Annual General Meeting were then placed before the members and received unanimous approval.

The Treasurer presented the audited financial statements for the year ended **31 March 2026**, which were approved by the General Body. Several important operational matters were also discussed and appropriate resolutions adopted.

During an open session, members deliberated on establishing support funds for needy students at Madras Veterinary College and expanding healthcare assistance for rural animals.

The General Body unanimously voted to retain the current office bearers and Executive Committee members for another one-year term.

Following closing addresses by the President and Vice President, which emphasised active participation, continuation of the monthly Chennai meetings and plans for the **2027 AGM in Thanjavur**, the event successfully concluded at **2:00 PM** with a group lunch.

Members and families of the MVC Class of 1972 during their reunion at Mamallapuram.

SECTION 11

Celebrating Family Milestones

Sharing moments of joy, achievement and pride from the families of our pensioners.

Dr. M. Sekar's Daughter's Wedding

Dr. M. Sekar

The wedding of **Dr. S. Niranjini, M.Sc., Ph.D.**, daughter of Dr. M. Sekar, and **Mr. V. Kamalnath, B.E., M.B.A.**, was solemnised on **Saturday, 4 July 2026**, at ACS Mahal, Nellikuppam Road, Nadhivaram, Guduvancheri.

Surrounded by family members and well-wishers, the couple was united in a graceful and traditional ceremony.

TTPA extends its warmest congratulations and heartfelt blessings to the **newlyweds for a joyful, harmonious and prosperous life together.**

Dr. S. Niranjini and Mr. V. Kamalnath on the occasion of their wedding celebrations.

Racing Towards National Glory

Dr. D. Sundararaj

Mr. Joash has brought pride to his family and well-wishers through his remarkable performance at the **CISCE State-Level Regional Games and Sports Meet**, held at Nehru Stadium, Coimbatore, on **11 August 2026**.

Competing in the **Under-19 Boys 800 metres**, he secured the **Silver Medal** and has qualified for the **National Meet** scheduled for **October 2026**.

Athletic excellence appears to run in the family. Joash is the grandson of **Dr. D. Sundararaj**, while his father is a veteran athlete. Adding further distinction to this sporting family, Joash's sister is representing the regional Kho-Kho team in the **Under-14 category at the State-Level Competition**.

TTPA heartily congratulates Joash on this outstanding achievement and wishes him every success at the forthcoming National Meet. We also congratulate the proud family and wish both young sportspersons many more laurels in the years ahead.

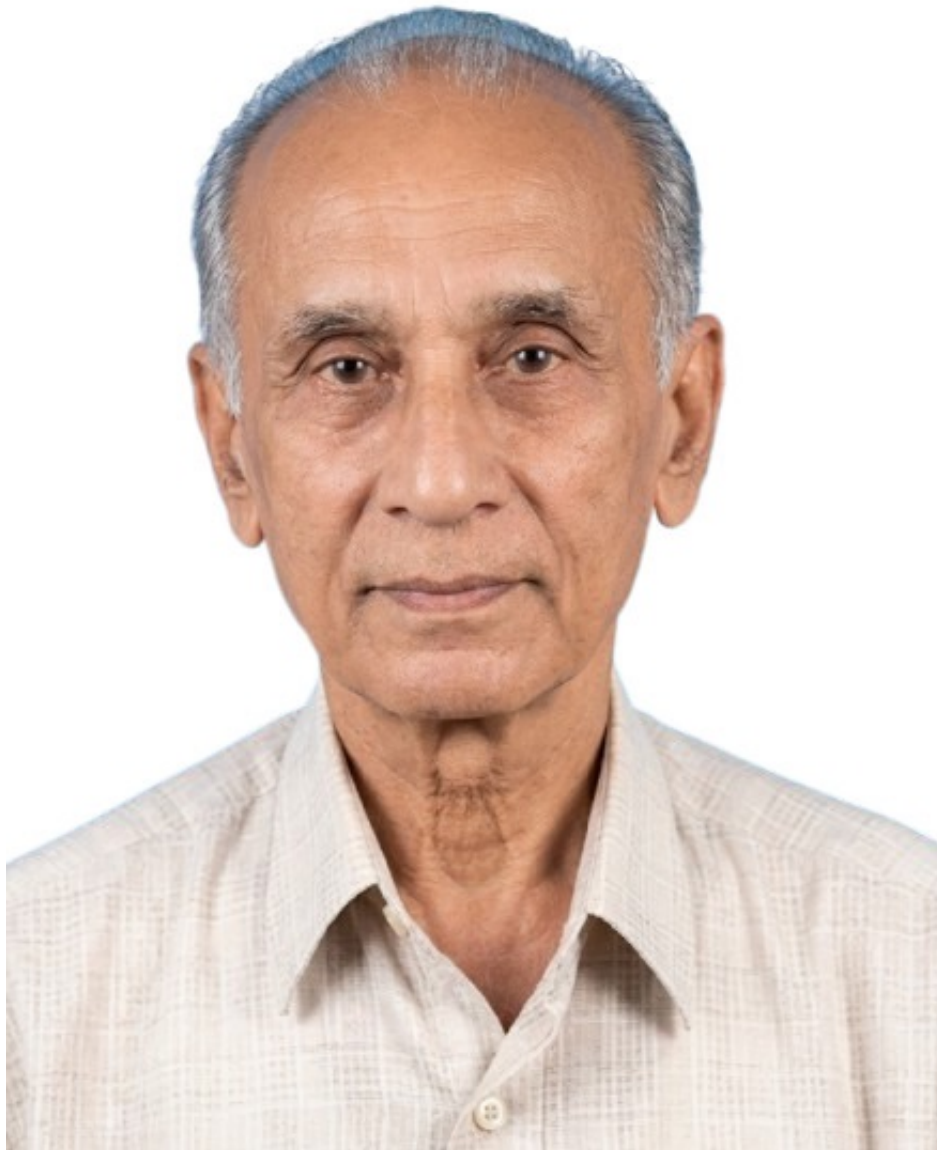

Mr. Joash, grandson of Dr. D. Sundararaj, following his remarkable performance at the CISCE State-Level Regional Games and Sports Meet.

SECTION 12

In Fond Remembrance

Remembering with gratitude those whose lives, service and association remain close to our hearts.

Dr. Md. Mustaq Ahamed

Dr. Md. Mustaq Ahamed

We deeply mourn the sad demise of **Dr. Md. Mustaq Ahamed**, former Professor and Head, Department of Veterinary Science, Madras Veterinary College, who passed away on **3 July 2026**.

He was one of the distinguished non-veterinarians who dedicated himself wholeheartedly to the development of Madras Veterinary College. As Professor of Biochemistry at CCL, MVC, and later as Head of Biochemistry under the Department of Physiology, he rendered exemplary academic and administrative service.

His expertise in independently managing Biochemistry teaching for both undergraduate and postgraduate students was exceptional. He ensured well-equipped practical laboratories with adequate infrastructure and consumables, thereby setting high standards in practical education.

His meticulous training of laboratory technicians, including the preparation of handwritten SOP-style practical notes, remains an enduring lesson for generations of teachers.

His contributions to Madras Veterinary College will always be remembered with gratitude and respect.

Dr. S. Baegan

Dr. S. Baegan

We mourn the sad demise of **Dr. S. Baegan**, who passed away on **15 July 2026**.

He was an excellent human being, a good Samaritan, and a calm, humble and approachable person.

He played a silent yet vital role in shaping the TANUVAS campus at Madhavaram Milk Colony, working closely with former Director Dr. Venugopal and other officials. His valuable personal contacts at the Secretariat greatly helped the University in securing and transferring land for several centres.

He also contributed significantly to the **World Bank-assisted TNAHRDP project**, facilitating major infrastructure development and overseas training programmes.

A man of honesty and conviction, he strongly advocated CAS promotions for TANUVAS Veterinary Faculty on par with TNAU teaching staff.

His invaluable contributions and support will always be remembered by TANUVAS.

Dr. K. M. Selvaraj

Dr. K. M. Selvaraj

We deeply mourn the sad demise of **Dr. K. M. Selvaraj**, Reader, Department of Extension Education, Madras Veterinary College, and former Deputy Warden of the MVC Hostel, who passed away on **22 August 2026** after a brief illness.

Dr. Selvaraj was a dedicated and compassionate teacher who extended his commitment to education beyond the classroom, reaching students as well as the general public.

Through his writings and thoughtful social media contributions, he consistently used his knowledge and experience for the betterment of society. His service, simplicity and helping nature earned him the respect and affection of many.

In keeping with his noble and selfless spirit, he had expressed his wish to donate his body to **Madras Medical College** for medical education and the training of future generations of doctors.

This extraordinary final gift reflects the compassion, generosity and spirit of service that defined his life.

Smt. R. Bhargavi

Smt. R. Bhargavi

We deeply mourn the sad demise of **Smt. R. Bhargavi**, aged 81 years, beloved wife of late Dr. R. Ramamurthy and mother of Mr. Prabakaran, who passed away peacefully on **8 August 2026** after a brief illness.

Her passing is a profound loss to her family, relatives and all those who knew and cherished her. We extend our heartfelt condolences to the bereaved family and pray that they may find strength and courage to overcome this difficult hour.

TTPA deeply condoles the sad demise of Smt. R. Bhargavi and conveys its heartfelt condolences to **Mr. Prabakaran** and the bereaved family. May her soul rest in peace.

Crowdsourced Care

டாக்டர் ஹிடேகி வாடா, 61 வயதுடைய மனநல மருத்துவர். குறிப்பாக மூத்த குடிமக்களின் மனநலத்தில் நிபுணத்துவம் பெற்றவர்.

இவர் சமீபத்தில் “The 80-Year Wall” (80 வயதின் சவால்) என்ற நூலை வெளியிட்டார். வெளியான சிறிது காலத்திலேயே இந்நூல் 5 லட்சத்திற்கும் அதிகமான பிரதிகள் விற்பனையாகி, சிறந்த விற்பனைப் புத்தகமாக (Bestseller) மாறியுள்ளது. இதன் விற்பனை 10 லட்சம் பிரதிகளைத் தாண்டும் என எதிர்பார்க்கப்படுகிறது.

இது ஜப்பானில் இந்த ஆண்டின் அதிகம் விற்பனையாகும் நூலாக மாறக்கூடும்.

மூத்த குடிமக்களுக்கும், நமது அன்பான பெற்றோர்களுக்கும் பயனுள்ளதாக இருக்கும் டாக்டர் வாடாவின் 44 ஞானமான அறிவுரைகள் இதோ:

1. மெதுவாக நடந்தாலும் பரவாயில்லை; தினமும் சிறிது நேரமாவது நடக்கத் தவறாதீர்கள்.
2. கோபமோ மனவருத்தமோ ஏற்படும் போது, ஆழமாக மூச்சை இழுத்து மனதை அமைதிப்படுத்துங்கள்.
3. உடல் இறுக்கமடையாமல் இருக்க, எளிய உடற்பயிற்சிகளைச் செய்யுங்கள்.
4. வெப்பமான காலநிலையில் குளிர்சாதன வசதியைப் பயன்படுத்தினால், போதுமான அளவு தண்ணீர் குடியுங்கள்.
5. தேவையானால் பெரியவர்களுக்கான டயப்பர் அணிவதில் வெட்கப்பட வேண்டாம். அது உங்களைச் சுறுசுறுப்பாகவும் சுதந்திரமாகவும் இயங்க உதவும்.
6. உணவை நன்றாக மென்று சாப்பிடுங்கள்; அது மூளையையும் உடலையும் சுறுசுறுப்பாக வைத்திருக்க உதவும்.
7. மறதி எப்போதும் வயதானதன் காரணமாக மட்டுமே ஏற்படுவதில்லை; மூளையைப் போதுமான அளவு பயன்படுத்தாததாலும் ஏற்படலாம்.
8. ஒவ்வொரு உடல்நலப் பிரச்சினைக்கும் பல மருந்துகளை எடுத்துக்கொள்ள வேண்டிய அவசியமில்லை.
9. இரத்த அழுத்தத்தையோ இரத்தச் சர்க்கரையையோ அளவுக்கு அதிகமாகக் குறைக்க முயற்சிக்க வேண்டாம்.
10. தனியாக இருப்பது என்பது எப்போதும் தனிமையாக இருப்பதல்ல; அது அமைதியாக ஓய்வெடுக்கக் கிடைக்கும் இனிய நேரமாகவும் இருக்கலாம்.
11. குறிப்பாக சோர்வாக இருக்கும் போது சோம்பலாக உணர்வது இயல்பானதே.
12. பாதுகாப்பாக வாகனம் ஓட்ட முடியாத நிலை ஏற்பட்டால், விபத்து ஏற்படும் அபாயத்தை விட வாகனம் ஓட்டுவதை நிறுத்துவது நல்லது.
13. உங்களுக்கு மகிழ்ச்சி தரும் செயல்களைச் செய்யுங்கள்; தேவையற்ற மனஅழுத்தத்தைத் தவிருங்கள்.
14. வயது அதிகரிப்பதால் இயல்பான விருப்பங்களும் ஆசைகளும் மறைந்துவிடுவதில்லை.

15. எப்போதும் வீட்டிற்குள்ளேயே இருக்க வேண்டாம்; வெளியே சென்று தூய காற்றை அனுபவித்து, உலகத்தைப் பாருங்கள்.
16. உங்களுக்குப் பிடித்த உணவுகளை அளவோடு சாப்பிடுங்கள். சிறிதளவு கூடுதல் உடல் எடை இருப்பது எப்போதும் தீமையானதல்ல.
17. எல்லா செயல்களையும் மெதுவாகவும் கவனமாகவும் செய்யுங்கள்.
18. உங்களுக்கு மனஅசௌகரியத்தை ஏற்படுத்தும் நபர்களிடமிருந்து விலகி இருங்கள்.
19. தொலைக்காட்சி பார்ப்பதிலும் கைப்பேசி பயன்படுத்துவதிலும் செலவிடும் நேரத்தைக் குறையுங்கள்.
20. சில நேரங்களில் ஒரு நோயை முற்றிலும் நீக்குவதற்காக முடிவில்லாமல் போராடுவதை விட, அந்த நோயுடன் அமைதியாகவும் நிம்மதியாகவும் வாழ்வது சிறந்ததாக இருக்கலாம்.
21. “எப்போதும் ஒரு வழி உண்டு.” நீங்கள் வழி தெரியாமல் திகைக்கும் நேரங்களில் இந்த வார்த்தை உங்களுக்கு வலிமையளிக்கட்டும்.
22. நிறையப் புதிய பழங்களையும் காய்கறிகளையும் உணவில் சேர்த்துக்கொள்ளுங்கள்.
23. நீண்ட நேரம் குளிக்க வேண்டிய அவசியமில்லை; சுமார் 10 நிமிடக் குளியல் போதுமானது.
24. தூக்கம் வரவில்லை என்றால், தூங்க வேண்டும் என்று உங்களை வற்புறுத்திக் கொள்ள வேண்டாம்.
25. உங்களுக்கு மகிழ்ச்சி தரும் செயல்களைச் செய்வது, மூளையின் ஆரோக்கியத்தைப் பாதுகாக்க உதவும்.
26. உங்கள் உணர்வுகளை மனதிற்குள் அடக்கி வைக்காதீர்கள்; நீங்கள் சொல்ல விரும்புவதைத் தகுந்த முறையில் வெளிப்படுத்துங்கள்.
27. நீங்கள் நம்பிக்கை வைக்கக்கூடிய குடும்ப மருத்துவரை ஆரம்பத்திலேயே தேர்ந்தெடுத்து வைத்திருங்கள்.
28. எப்போதும் மற்றவர்களுக்காக விட்டுக்கொடுக்க வேண்டியதில்லை. சில நேரங்களில் தன்னம்பிக்கையுடன் தன் கருத்தை வெளிப்படுத்தும் “துணிச்சலான மூத்தவராக” இருப்பதும் நல்லதே.
29. அவ்வப்போது உங்கள் கருத்தை மாற்றிக்கொள்வதில் எந்தத் தவறும் இல்லை.
30. முதுமையில் ஏற்படும் நினைவாற்றல் குறைவு, சில வகையில் மன அமைதியை அடைய உதவும் ஒரு இயற்கையான மாற்றமாகவும் பார்க்கப்படலாம்.
31. கற்றுக்கொள்வதை நிறுத்திவிட்டால், மனதளவில் விரைவாக முதுமையடையலாம்.
32. பட்டங்களையும் பதவிகளையும் கௌரவங்களையும் தொடர்ந்து தேடி ஓட வேண்டிய அவசியமில்லை; இப்போது உங்களிடம் இருப்பதே போதுமானது.
33. எளிமையாகவும் நேர்மையாகவும் இருப்பது முதுமையின் சிறந்த பலங்களில் ஒன்றாகும்.
34. வாழ்க்கை சில நேரங்களில் சிக்கலானதாக இருக்கலாம்; ஆனால் அதுவே வாழ்க்கையை சுவாரஸ்யமாகவும் ஆக்குகிறது.
35. சிறிது நேரம் சூரிய ஒளியில் இருப்பது மனநிலையை மகிழ்ச்சியாக்க உதவும்.
36. பிறரிடம் அன்பாகவும் கருணையுடனும் இருப்பது, உங்கள் வாழ்க்கையிலும் நன்மையைத் தரும்.
37. இன்றைய நாளை அமைதியாகவும் நிம்மதியாகவும் வாழுங்கள்.
38. நம்பிக்கைகளும் ஆசைகளும் இருப்பது, நீங்கள் இன்னும் உயிரோட்டத்துடனும் உற்சாகத்துடனும் இருக்கிறீர்கள் என்பதற்கான அடையாளமாகும்.
39. எப்போதும் நேர்மறையாகச் சிந்தியுங்கள்.
40. ஆழமாகவும் நிதானமாகவும் மூச்சை இழுங்கள்; வாழ்க்கையை அவசரமாக வாழ வேண்டியதில்லை.
41. உங்கள் வாழ்க்கையை எவ்வாறு வாழ வேண்டும் என்பதைத் தீர்மானிப்பவர் நீங்களே.
42. வாழ்க்கையில் எது வந்தாலும் அதை அமைதியான மனதுடன் ஏற்றுக்கொள்ளுங்கள்.
43. மகிழ்ச்சியாகவும் உற்சாகமாகவும் இருப்பவர்கள் பொதுவாக மற்றவர்களால் விரும்பப்படுகிறார்கள்.
44. ஒரு புன்னகை எண்ணற்ற ஆசீர்வாதங்களைக் கொண்டு வரக்கூடும்.

 இந்த அருமையான செய்திகளை உங்களுக்குத் தெரிந்த அனைத்து மூத்த குடிமக்களுடனும் பகிர்ந்து கொள்ளுங்கள்.

நமது அன்பான பெற்றோர்களும் முதியோர்களும் மகிழ்ச்சியாகவும், ஆரோக்கியமாகவும், அமைதியுடனும், கண்ணியத்துடனும் தங்கள் முதுமைக் காலத்தை அனுபவிக்கத் தகுதியானவர்கள்.

அனைவருக்கும் நல்ல ஆரோக்கியமும், மகிழ்ச்சியும், அமைதியான வாழ்வும் கிடைக்க வாழ்த்துகள்!  

Centenary Celebration

தமிழ்நாடு கால்நடை உதவி மருத்துவர்கள் சங்கம் (TNVASA)

நூற்றாண்டு விழா மற்றும் மாநில பொதுக்குழு கூட்டம் சிறப்பாக நடைபெற்றது

திருச்சிராப்பள்ளி, ஆகஸ்ட் 9, 2026: தமிழ்நாடு கால்நடை உதவி மருத்துவர்கள் சங்கத்தின் (TNVASA) நூற்றாண்டு விழாவும், மாநில பொதுக்குழு கூட்டமும் திருச்சிராப்பள்ளியில் உள்ள எமரால்டு பேலஸில் மிகச் சிறப்பாக நடைபெற்றன.

1924 ஆம் ஆண்டு தொடங்கப்பட்ட இச்சங்கம், கடந்த 100 ஆண்டுகளாக கால்நடை மருத்துவத் துறையின் வளர்ச்சிக்கும், கால்நடைகளின் நலனுக்கும், சமூக சேவைக்கும் தொடர்ந்து அர்ப்பணிப்புடன் செயல்பட்டு வருகிறது.

EDITOR'S CORNER

Editor's Message

Reflections from the Editor on this issue and the evolving TTPA Multimedia Newsletter.

Editor's Message: Explore, Participate and Help Us Build

Dr. V. Balakrishnan

Newsletter Editor & Website Administrator, TTPA

Dear Readers,

Welcome to the **TTPA Multimedia Newsletter**, conceived not merely as another edition of our newsletter, but as a dynamic, interactive and continuously expanding digital platform for our pensioner community. It brings together Association activities, reminiscences of our stalwarts, achievements of pensioners, professional and social events, useful pension-related information, tributes, historical records and other features in an easily navigable format.

Explore the Archives

I particularly invite you to explore the **Archives**, which is intended to become a valuable permanent repository. Apart from reminiscences and historical material, please visit its practical subsections—**Downloadable Forms, Procedures and Government Orders**. These sections are being developed to enable pensioners to readily obtain commonly required forms, understand procedures for claiming various benefits and access relevant Government Orders from one convenient location.

The Archives also contain a growing collection of photographs of our teachers, colleagues and administrators, including many reconstructed from nearly five-decade-old records with the assistance of AI. Equally nostalgic are photographs of the **old buildings of Madras Veterinary College**. They are intended not simply to record structures, but to rekindle memories of the departments, classrooms, teachers, colleagues and events associated with them.

Help Us Enrich the Historical Record

This project, however, is **still evolving**. A few sections are yet to be completed. For example, the information presently given about the activities associated with each historical building is only brief. Those who studied or worked in these buildings may remember important departments, personalities, events, changes or anecdotes that deserve to be recorded. **Please send your inputs so that these descriptions can be amplified and made historically richer.**

Similarly, sections such as **Gallery, Videos and PDF Edition** are yet to be launched and will be progressively developed.

A Familiar Voice Behind Every Article

A particularly exciting feature planned for the multimedia newsletter is **AI-assisted voice cloning**. An author who contributes an article may provide the Editor with a short sample of his or her voice, conveniently recorded on a mobile phone. With the author's consent, AI can use that sample to generate an audio narration of the entire article in a voice resembling that of the author.

Imagine reading a reminiscence while simultaneously hearing it narrated in the **familiar voice of the colleague who wrote it**. Besides adding warmth and personal connection to our newsletter, this facility can be especially helpful to senior readers who experience difficulty reading lengthy text on a screen. The audio option can therefore make our newsletter both more personal and more accessible.

About Reconstructed Photographs

If any photograph presently displayed in the Archives does **not adequately reflect the person's actual appearance**, members are encouraged to provide a better photograph so that it can be replaced.

We should, however, remember that many reconstructed photographs originate from records nearly **50 years old**. They are therefore intended to portray the individual **as he or she appeared at that point in time**, rather than at the time of retirement or in later years.

Your Participation Matters

This newsletter can become truly comprehensive only through **collective participation**. Photographs, old documents, Government Orders, forms, procedural information, historical details, corrections, reminiscences and suggestions are all welcome. Even seemingly small pieces of information may help complete an important part of our institutional history.

Finally, I invite every visitor to **record your views and suggestions under the respective sections**. Your responses will help me gauge the usefulness of individual features, identify areas requiring improvement and determine what should receive greater attention as the website develops.

Please explore beyond the home page, revisit the Archives, listen as multimedia features become available, contribute to filling the gaps, and help us transform this initiative into a lasting repository of our collective memories and useful information.

Wishing you an informative, nostalgic and enjoyable experience.

Dr. V. Balakrishnan

Newsletter Editor & Website Administrator, TTPA
